JESSON D. PALOMA

Frontend-focused Full-Stack Web Developer with 3 years of experience designing and building responsive, high-performance web and mobile interfaces using Vue.js, Nuxt.js, and Ionic. Skilled at translating designs into clean, reusable components and integrating them with Laravel REST APIs. Comfortable owning a feature end-to-end, from UI architecture to backend integration.

TECHNICAL SKILLS

Frontend: Vue.js, Nuxt.js, JavaScript (ES6+), HTML5, CSS3, Tailwind CSS, Bootstrap 5
Mobile: Ionic, Capacitor (Android & iOS)
Backend & APIs: Laravel, REST API Development, JWT Authentication
Database: MySQL
CMS: WordPress, WooCommerce
Tools: Git, Docker

WORK EXPERIENCE

Zion Christian Mission center Inc — *Web/Mobile App Developer*

06/2024 - 01/2026

- Developed and maintained a web-based and mobile Learning Management System (LMS) for a theology school using Vue.js, Laravel, Ionic, and Capacitor.
- Built features for course management, video lessons, quizzes, user authentication, and student progress tracking across Web, iOS, and Android platforms.
- Designed and integrated RESTful APIs for seamless communication between frontend and backend systems.
- Optimized responsive UI/UX for both desktop and mobile devices to improve accessibility and user experience.
- Collaborated with cross-functional teams in an agile development environment to deliver projects on schedule.

Mosaic Solutions — *Junior Software Engineer*

03/2022 - 05/2024

- Developed a Point-of-Sale (POS) system using Vue.js and Laravel, handling sales transactions, inventory, and reporting modules.
- Designed and integrated RESTful APIs for seamless frontend-backend communication.
- Built responsive landing pages using WordPress, improving client conversion rates.
- Worked in an agile team environment to deliver projects on schedule.

SHIM International School — *IT Instructor*

06/2017 - 12/2021

- Taught basic programming (HTML, CSS, JavaScript) and database fundamentals.
- Delivered lessons on graphic design and computer fundamentals.
- Developed learning materials and hands-on exercises for students.
- Guided students in building simple web projects and databases.
